ABOUT THE MAYOR'S LUNCHEON

Executive Summary

UNCF seeks your sponsorship support for the 2019 Dayton Mayor's Luncheon benefiting UNCF. Net proceeds from this fundraising event will support UNCF's education mission and help break the financial barriers that prevent so many talented students from earning a college degree.

Our request is in line with your company's commitment to increasing educational opportunities for minority students in our community and increasing the educated workforce pipeline in our nation. UNCF-member colleges graduate more African American students than other private colleges or public universities.

Because college graduates earn higher incomes than non-graduates, your sponsorship will be an investment in the future teachers, business leaders, engineers, physicians and other professionals who will graduate from UNCF-member colleges to become productive participants in their communities and in the U.S. economy.

Event Background

This is the seventh annual Dayton Mayor's Luncheon benefiting UNCF.
This year's luncheon will be:

Friday, August 30, 2019
David H. Ponitz Conference Center
Dayton

The luncheon features greetings and remarks by local dignitaries dedicated to educating minority and under-represented students as well as a musical performance by local students.

More than 500 civic and business leaders, education professionals and guests from across Ohio will be in attendance at the networking event of the year.
